A Sea of Clouds

Surrounding National Treasure Matsue Castle

Matsue Castle's tower sits atop a deep sea of encircling clouds. This magical scene evokes images of ink-wash paintings depicted on hanging scrolls.

The Castle Tower Shines on a Summer Evening with

Lights and Visuals

A unique nighttime event program weaving lights, sounds, and visuals together to create a special setting to experience

Venue:
Matsue Castle
Tower,
National Treasure
Matsue Castle

Castle Night Market

There will be food and drink stalls onsite between 18:00 – 21:00.

MATSUE
CASTLE

IN A SEA OF
CLOUDS

A STORY WOVEN BY
LIGHT AND POETRY

Immersive 3D Audio

Matsue Castle, located just off the shores of Lake Shinji, tells a long history as the symbol of the City of Water. By recreating the type of auditory atmosphere that our ancestors would have experienced through immersive 3D audio, one's senses will not only be sharpened, but one will a part of a special moment in time that can only be experienced here.
